Report on the Financial Statements

We have audited the accompanying financial statements of Orpe Human Rights Advocates, Inc., which comprise the statement of financial position as of December 31, 2021, and the related statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Orpe Human Rights Advocates, Inc. as of December 31, 2021, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited OHRA's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 21, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenditures of Federal Awards on pages I-(15 - 16), as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 26, 2022, on our consideration of Orpe Human Rights Advocates, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering OHRA, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

OHRA, Inc. is a not-for-profit organization, incorporated under the laws of the Maryland, providing legal, advocacy, coordinated supportive and human services, empowerment, and educational services that benefit low- income families in Maryland and surrounding area. These activities are funded primarily through foundation grants and public contributions.

Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- **Net Assets Without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions are recorded as "net assets without donor restrictions". Assets restricted solely through the actions of the Board are referred to as Board designated and are also reported as net assets without donor restrictions.
- **Net Assets With Donor Restrictions** - Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in "net assets with donor restrictions", depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities and Change in Net Assets as net assets released from donor restrictions. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service.

The financial statements include certain prior year summarized comparative information in total but not by net asset class; such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with OHRA, Inc.'s financial statements for the year ended December 31,2020, from which the summarized information was derived.

New accounting pronouncement adopted -

During 2021, OHRA, Inc. adopted Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended. The ASU provides a framework for recognizing revenue and is intended to improve comparability of revenue recognition practices across for-profit and non-profit entities. Analysis of the various provisions of this standard resulted in no significant changes in the way OHRA, Inc. recognized revenue; however, the presentation and disclosures of revenue have been enhanced. OHRA, Inc. has elected to opt out of all (or certain) disclosures not required for nonpublic entities and also elected a modified retrospective approach for implementation.

Cash and cash equivalents -

OHRA, Inc. considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000.

ORPE HUMAN RIGHTS ADVOCATES, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)

Cash and cash equivalents (continued) -

At times during the year, OHRA, Inc. maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Grants receivable -

Grants receivable are recorded at their net realizable value, which approximates fair value. Management considers all amounts to be fully collectible within one year. Accordingly, an allowance for doubtful accounts has not been established.

Furniture, equipment and leasehold improvements -

Furniture, equipment and leasehold improvements are stated at cost. Furniture and equipment are depreciated on a straight-line basis over the estimated useful life of the related assets, generally five years. Leasehold improvements are amortized over the remaining life of the lease. Depreciation and amortization expense for the year ended December 31, 2021 totaled \$17,766. OHRA, Inc. capitalizes all items over \$5,000. The cost of maintenance and repairs is recorded as expenses are incurred.

Income taxes -

OHRA, Inc. is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is only subject to tax on unrelated business income. OHRA, Inc. is not a private foundation.

Uncertain tax positions -

For the year ended December 31, 2021, OHRA, Inc. has documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

Grants and contributions -

The majority of OHRA, Inc.'s activities are supported by grants and contributions from the U.S. Government and other private entities. These awards are for various activities performed by OHRA, Inc.. Grants and contributions are recognized in the appropriate category of net assets in the period received. OHRA, Inc. performs an analysis of the individual grant or contribution to determine if the revenue streams follow the contribution rules or if they should be recorded as an exchange transaction depending upon whether the transactions are deemed reciprocal or nonreciprocal under ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*.

For grants and contributions qualifying under the contribution rules, revenue is recognized upon notification of the award and satisfaction of all conditions, if applicable. Grants and contributions qualifying as contributions that are unconditional and have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying financial statements.

ORPE HUMAN RIGHTS ADVOCATES, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)

Grants and contributions (continued) -

Grants and contributions qualifying as conditional contributions contain a right of return from obligation provision that limits OHRA, Inc. on how funds transferred should be spent. Additionally, a barrier is present that is related to the purpose of the agreement. Revenue is recognized when the condition or conditions on which they depend are substantially met. Most grant awards from the United States Government and other entities are for direct and indirect program costs. These transactions are nonreciprocal and classified as conditional and are therefore recognized as contributions when the revenue becomes unconditional. OHRA, Inc. recognizes revenue for these conditional contributions when the related barrier has been overcome (generally, when qualifying expenditures are incurred). Funds received in advance of the incurrence of qualifying expenditures are recorded as refundable advances. For grants and contributions treated as contributions, OHRA, Inc. had approximately \$3,110,000 in unrecognized conditional awards as of September 30, 2021.

In-kind contributions -

OHRA, Inc. receives donated services from attorneys, consultants, graduate students, and health care clinics. The total amount of donated services received for the year ended December 31, 2021 totaled \$5,188,325.

These contributions are reflected in the financial statements as in-kind contributions, recorded at fair value, and charged to the programs benefited.

Events and program service fees -

Events and program service fees revenue follow ASU 2014-09, *Revenue from Contracts With Customers*, and revenue is recognized when the performance obligations are met. OHRA, Inc. has elected to opt out of all (or certain) disclosures not required for nonpublic entities.

OHRA, Inc. receives sponsorship income for events held throughout the year. This income is recognized when the associated event has occurred. OHRA, Inc. receives client fees for legal services provided. Client fees are recognized as program service fees as the associated work is completed. Transaction price is determined based on cost and/or sales price. Any amounts received in advance are recorded as deferred revenue within the Statement of Financial Position.

Use of estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities and Change in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

ORPE HUMAN RIGHTS ADVOCATES, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)

Functional allocation of expenses (continued) -

Expenses directly attributed to a specific functional area of OHRA, Inc. are reported as direct expenses to the programmatic area, and those expenses that benefit more than one function are allocated on the basis of actual time and effort or other reasonable basis.

Economic uncertainties -

On March 11, 2020, the World Health Organization declared the Coronavirus disease (COVID- 19) a global pandemic. As a result of the spread of COVID-19, economic uncertainties have arisen which may impact OHRA, Inc.'s operations. The overall potential impact is unknown at this time.

Reclassification -

Certain amounts in the prior year's financial statements have been reclassified to conform to the current year's presentation. These reclassifications had no effect on the previously reported changes in net assets.

New accounting pronouncements (not yet adopted) -

ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* improves generally accepted accounting principles (GAAP) by increasing the transparency of contributed nonfinancial assets for not-for-profit (NFP) entities through enhancements to presentation and disclosure. The amendments in this ASU address certain stakeholders' concerns about the lack of transparency relating to the measurement of contributed nonfinancial assets recognized by NFPs, as well as the amount of those contributions used in a NFP's programs and other activities. The ASU should be applied on a retrospective basis and is effective for annual periods beginning after June 15, 2021, and interim periods within annual periods beginning after June 15, 2022. Early adoption is permitted. The amendment will not change the recognition and measurement requirements for those contributed nonfinancial assets.

ASU 2019-01, *Leases* (Topic 842) changes the accounting treatment for operating leases by requiring recognition of a lease asset and lease liability at the present value of the lease payments in the Statement of Financial Position and disclosure of key information about leasing arrangements. During 2020, the FASB issued ASU 2020-05 and delayed the implementation date by one year. The ASU is effective for non-public entities for fiscal years beginning after December 15, 2021. Early adoption is still permitted. The ASU can be applied at the beginning of the earliest period presented using a modified retrospective approach or applied at the beginning of the period of adoption recognizing a cumulative-effect adjustment.

OHRA, Inc. plans to adopt the new ASUs at the required implementation dates and management is currently in the process of evaluating the adoption methods and the impacts of the new standards on its accompanying financial statements.

2. LINE OF CREDIT

OHRA, Inc. had a \$300,000 bank line of credit, which expired March 8, 2021. The line was secured by cash held in accounts at the same financial institutions. The line of credit was not renewed.

ORPE HUMAN RIGHTS ADVOCATES, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

3. LOAN PAYABLE

On April 14, 2020, OHRA, Inc. received loan proceeds in the amount of \$500,000 under the Paycheck Protection Program (PPP). Under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the promissory note must be used for certain expenditures within a 24-week period to ultimately be forgiven by the Small Business Administration (SBA). During the year ended December 31, 2021, OHRA, Inc. expended and tracked the PPP funds for purposes outlined in the CARES Act guidance and met all conditions set forth for full forgiveness. On July 16, 2021, OHRA, Inc. received notification the total amount of the PPP funds were forgiven by the SBA. Accordingly, OHRA, Inc. recorded revenue from extinguishment of debt during the year ended September 30, 2021, in the Statement of Activities and Change in Net Assets.

4. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following at December 31, 2021:

General Support - Time Restricted		1,276,441
TOTAL NET ASSETS WITH DONOR RESTRICTIONS	\$	766.603

TOTAL NET ASSETS RELEASED FROM RESTRICTIONS	\$	1702.514

OHRA, Inc. received two months of a 50% rent abatement at the beginning of the lease.

During 2021, OHRA, Inc. entered into a 60-month lease agreement, commencing February 2020, for its 10,600 square feet space, located at 601 Bay Meadow Dr, Ste B, MD 21060. Base rent starts with monthly installments of \$10,798, plus its share of operating expenses, and increases by 4% each anniversary date. OHRA, Inc. received an allowance for improvements to the new space. The value of these improvements totaled \$20,700 and have been recorded as an asset and as a deferred rent liability and are being amortized over the life of the related lease.

Accounting principles generally accepted in the United States of America require that the total rent commitment should be recognized on a straight-line basis over the term of the lease. Accordingly, the difference between the actual monthly payments and the occupancy expense being recognized for financial statement purposes is recorded as a deferred rent liability in the accompanying Statement of Financial Position.

Rent expense for the year ended December 31, 2021 totaled \$173,683 and is included in occupancy expense in the accompanying Statement of Functional Expenses. The deferred rent liability was \$106,122 at December 31, 2021.

At December 31, 2021, the future minimum lease payments under these lease agreements are as follows.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Independent Auditor's Report

To the Board of Directors
OHRA, Inc.
6701 Bay Meadow Dr Ste B,
Glen Burnie, Maryland.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of OHRA, Inc. as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise OHRA, Inc.'s basic financial statements, and have issued our report thereon dated January 26, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered OHRA, Inc.'s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances, for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of OHRA, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of OHRA, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of OHRA, Inc.'s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether OHRA, Inc.'s financial statements are free from

material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY TITLE 2 U.S. CODE OF FEDERAL
REGULATIONS (CFR) PART 200, UNIFORM ADMINISTRATIVE REQUIREMENTS, COST

Independent Auditor's Report

Report on Compliance for Each Major Federal Program

We have audited OHRA a, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of OHRA, Inc.'s major Federal programs for the year ended December 31, 2021. OHRA, Inc.'s major Federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of OHRA, Inc.'s major Federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about OHRA, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of OHRA, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, OHRA, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended December 31, 2021.

Report on Internal Control Over Compliance

Management of OHRA, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered OHRA, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of OHRA, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
